

DANWOOD WALES

Thursday 4th February saw Danwood Wales take over the Redrow Suite at Cardiff City Stadium to demonstrate the latest in print, IT and telecoms technology. With product demonstrations from our manufacturer partners, stadium tours on offer, as well as experts from our audit, consultancy, and training departments on hand, we played host to over 60 companies from the Cardiff area.

On the day there was an opportunity to win a signed Cardiff Blues rugby shirt and a pair of tickets to the Cardiff v Leinster game on 7th March. A week later the winners were presented with their prizes by Danwood Wales' Ian Eidman (Ex Cardiff and Wales), Emyr Lewis (Ex Llanelli, Cardiff and Wales) and Owen Golding (Ex Cardiff). Congratulations to Phil Whitcombe, Head Teacher of Bryn Hafren Comprehensive School, and Howard James, IT Manager of Radyr Comprehensive School.
